

REMARKS

Claims 1-7 are pending in the application. These claims were objected to as requiring additional distinguishing language.

Applicants have amended claim 1 in accordance with the Examiner's suggestion, and all claims are now believed to be allowable. Applicants thank the Examiner for his efforts.

The drawing sheet was objected to as lacking the identification as a "Replacement Sheet" at the top—therefore, Applicants have resubmitted the amended drawing sheet in Appendix A, with annotated mark-up in Appendix B, the amended drawing sheet containing the proper identification.

CONCLUSION

Inasmuch as each of the objections have been overcome by the amendments, and all of the Examiner's suggestions and requirements have been satisfied, it is respectfully requested that the present application be reconsidered, the rejections be withdrawn and that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

 (Reg. No. 45,877)
